

Timing in SLMS

Below are the standard times indexes and updates for report and queries are run. Knowing the timing will help you with the tasks for viewing courses, programs and enrollments.

Catalog and Program Indexes

The Catalog and Program indexes run every 30 minutes, on the top of the hour and 30 minutes past the hour – 24/7.

Learner Groups

The learner groups are generally rebuilt every 4 hours (there are exceptions) – 24/7.

The asterisk (*) learner groups developed for Mandated Training are rebuilt every 2 hours – 24/7.
